Round mountain: the cloud light after the lead is washed

园山圩 It was built in 1929, originally called "Garden Mountain Chao", and later because the polder was built on the small garden mountain, it was renamed the garden. The garden is one of the best preserved in the Taishan overseas Chinese, with a total of 58 intact riding towers. At that time, Tan was a large family here, and the villagers began the construction of their hometown under the leadership of the squire Tan Weiting, etc., the establishment of municipal offices, planning construction shops, and introducing the layout of the Western "market square", which was very rare at that time.

The entire building.

Showing the "back" font layout

There are four streets on the outside.

East-West Street is 120 meters long.

For the Yushu Road and Xihua Road.

North Street is 100 metres long.

For the Round Mountain Road and the Purple Road.

There is open space between each street to make an entrance.

The Central Bank was a **farmers market**,
The top ring is covered with umbrella roofs.
But now the market roof no longer exists,
The top ring is also only partially visible.

这里的骑楼整齐一致，
高两三层，
门面装饰很是考究，
中西合璧的特色非常鲜明，
让人依稀感受到昔日光景。

当初高端洋气的外衣
如今有了岁月的痕迹。

灰色基调的房顶、墙面、窗户
因绿植的介入而变得鲜活。

斑驳的墙体
留下了时光的印记

随意走进一间老屋，
瞬间被它的古朴
与幽韵所俘获，
仿佛时光正在倒流。

这里的一砖一瓦、一柱一梁
都可以成为故事的封面。
这里深深印刻着历史岁月，
铅华洗尽，
总能把人带回从前的温情，
这正是园山圩最独特的原始之美。

如同世俗世界里吹过的一缕清新之风，
在时光深处生根、开花。

圆山圩，
在悠悠的时光里，
静守着一份坦然。
繁华落尽，淡若云烟。
